MEMORANDUM FOR: Chief, Career Development Staff, DS&T

FROM: [REDACTED]
Director, Foreign Broadcast Information Service

SUBJECT: The Contract Process Course

REFERENCE: Memorandum dtd 2 Aug 85, Same Subject

You have defined a very comprehensive course which will be of considerable help to all new engineers and prospective COTRs. You might consider adding a discussion of the Agency Contract Review Board (ACRB). As part of that discussion or as a separate topic, the question of quantifying multiple sources to enable competitive procurements should be addressed. Given that competition is required where possible, the course should discourage that mind set which always looks for a sole source justification.
